Background

We, the **ECOR GmbH** from Giessen, are a professional manufacturer and supplier of various kinds of promotional shopping bags, mainly made out of **ECO-logically friendly & sustainable**, often consisting of **100% recycled or recyclable materials**, but others as well. With our own factory in Shandong, China, we are proud to say that we can call over 500 sets of high speed flat sewing, ironing, button, and needle checker, as well as other accessory equipment machinery as being part of our manufactory.

Some of our employees can even look back at almost 30yrs. of experience within this branch and our products have been dispatched to clients all over the world, e.g. to Germany, Italy, Canada, the USA, Australia, Japan and many other countries.
